Imagine your home being inside a park
Ever dreamt of living within absolute green, surrounded by a park?

A home nestled amidst natural landscapes, surrounded by lakes, trees and fountains? A lush green park, which is a picturesque and stylish scene for a quiet and relaxing lifestyle?

That’s exactly what Mountain View Hyde Park offers you, the dream of living within absolute green, with all facilities conveniently within reach. Sit atop a beautiful villa, the compound is located inside a huge network of interconnected parks and overlooking Hyde Park, one of the most prestigious private parks in Egypt.

Mountain View Hyde Park is designed with one vital aim in mind – to give residents the opportunity to live in an ultimately peaceful environment, surrounded by endless green with an extreme connection to nature.

Life as Nature Intended
The Hyde Park Life

Require the lifestyle you want, and attain a fix to look up to with Thriven View Hyde Park. With its American style villas, townhouses, and penthouses, each unit has a park view and is intelligently designed and conveniently located to provide peace of mind and privacy.

Set atop a beautiful vail, your home will be amidst a vast landscape and surrounded by beautiful water features, trees, and fountains. The lush green of the park makes this a picturesque and idyllic landscape for a quiet and relaxing lifestyle.

Live Inside a Park
Community

Be among your like-minded peers in a community of high florists who share the same values and goals and aspirations and have the same genuine passion for life.

To be part of an effective, successful, and healthy way of living is never a reality. The aim of real estate is to live, and continuously, seeking to improve in life as defined by the individuals who make it. At Millennium Village, we feel that with all the elements to realize your aspirations and support you in the continuing pursuit of what is better. You can enjoy the mental, physical, and social well-being that is associated with being within a community, rich in experiences.

Raising your children within a balanced, coherent community sharing the same values, is at the top of our priorities to prepare them for their future, allow them to develop and grow, as they are being brought up within the society, of your choices and among healthy surroundings of rich greenery and landscaping present in the various outdoor facilities such as the Central Green Park and the Green Corridor.
Distinctive Features

When you own a unit at Mountain View Light Park, your home will be in the middle of lush landscapes. As you would expect from a great community of this quality, the compound is equipped with the highest levels of security.

For further convenience and the added safety of its residents, Mountain View Light Park is designed with extensive pedestrian walkways. Though your compound sits on a different level from the roads used by vehicles.

Adopt the Pace of Nature
Every Step is A Natural Inspiration

1 Kilometre Promenade:
A 1 Kilometre long path of interconnected pathways winds through Mountview Vlei Hyde Park, starting from the clubhouse of Island Bay Hyde Park. Experience the magic of promenading with birdwatchers and bird feeders in gardens, cafes, memorials, Iskinder gardens, landmarks, parks, trees, and fountains to the soundscapes of nature. You can also simply relax on one of the park benches, taking in the soothing soundscape.
Majestic Lake

One of Riverstone’s true highlights, Majestic Lake is a true landscaping masterpiece. At the heart of this community, this lake not only offers beauty and tranquility, but also is a unique and fun experience for the entire family. Paddleboarding, kayaking, and canoeing make it truly, a special place for the whole family.

As Evening Descends, Recount Your Blessings
Crossover Bridges

Combining all your units, safety, playing outdoor, especially when coming to opening streetwall becomes a thing of the past. Real with Mission View Hyde's innovative crossover bridge, crossing over undisturb, we ensure that safe not only extend your pedestrian experience. This will provide a healthy and safe environment for you and your young ones.

Safet and Peace of Mind
Let Nature be your Guide
Unique Architectural Style

A dream home exudes distinctive architecture with open floor plans, blue-tiled roofs, and quality details such as a beautiful American red brick, the essence of the French architectural style.

Choose your dream home from a selection of designs, tailored to your individual needs. We can customize floor plans to suit your specific requirements.

Clear your mind and let go
About Mountain View

Mountain View is part of the RMF Miral Group EFG, one of the most successful and exclusive vertically integrated real estate enterprises in Egypt. Since its establishment in May 2005, the management team has been further strengthened with the addition of multiracial expertise. The rich and unique mix of both local pioneering and multinational experience is what makes the company different. All projects are designed with clients satisfaction as the ultimate goal, providing them not only with homes, but also with a lifestyle to match. The company is structured, up-to-date, innovative and cost-efficient. Unlike remaining deeply ingrained in real estate, RMF is able to provide true value for money and has already ventured into other successful projects, like New Cairo, one of the most successful projects in the Egyptian real estate market.

Mountain View Offers

Mountain View is a distinctive community located in New Cairo, on the 6th October City, two hours along the coastline. The development is designed to be an oasis of leisure and relaxation, with a total area of 150,000 square meters. The project includes a variety of facilities and amenities, including swimming pools, tennis courts, and a gym. The community is designed to be a self-sufficient city within a city, with all necessary services and amenities available on-site.

Mountain View is designed to be a community where residents can live, work, and play in complete harmony with nature. The project is surrounded by lush greenery and offers panoramic views of the Mediterranean Sea. The community is designed to be environmentally friendly, with a focus on sustainability and energy efficiency. The development is also designed to be wheelchair accessible, ensuring that all residents can enjoy the amenities on offer.

In conclusion, Mountain View is a unique and innovative project that offers residents a luxury lifestyle in a beautiful and tranquil environment. The community is designed to be a place where residents can relax and unwind, while still maintaining a high level of comfort and convenience. With its stunning views, luxurious amenities, and environmentally friendly design, Mountain View is sure to be a popular destination for real estate investors and residents alike.
